Hamza Rampurawala

UI Developer | Front End Developer

Mid-level UI Developer/Front End Developer with ~3 years of professional experience of working with HTML, CSS & JavaScript. Specializing in developing pixel perfect responsive & interactive screens for websites. Expertise in resolving cross browser conflicts and enhancing website performance. Redesigning screens from adaptive to responsive with mobile first approach and assuring efficient and clutter free CSS styles. Looking forward to leverage my skills in UI technologies to create seamless UI/UX systems.
